Introduction

Safe service environments don't just happen: they require ongoing planning, commitment and maintenance. The Blue Card system aims to create safe and supportive service environments where children and young people can receive services and participate in activities essential to their development and wellbeing. The Blue Card system has 3 key components:

- Risk management strategies
- Blue Card screening
- Compliance and ongoing monitoring

The *Working with Children (Risk Management and Screening) Act 2000* (the Act) and the *Working with Children (Risk Management and Screening) Regulation 2011* requires organisations regulated by the Blue Card system to develop, implement and review annually a Child and Youth Risk Management strategy.

The purpose of a Child and Youth Risk Management strategy is to help to identify potential risks of harm to children and young people and to implement strategies to minimise these risks.

A well-developed strategy will help St Hilda's School achieve its objectives by providing a clear and consistent framework to guide and support children and young people, parents, employees, volunteers and visitors to their school.

In order to comply with the legislative framework, a Child and Youth Risk Management strategy must address eight (8) minimum requirements. These requirements:

- address an organisation's **commitment** to creating a safe and supportive service environment
- strengthen an organisation's **capability** to provide such an environment
- assist an organisation to manage any particular **concerns** with respect to the safety and wellbeing of children and young people who are involved with the organisation, and
- promote the **consistency** of an organisation's approach to risk management, both within the organisation and with respect to compliance with the requirements under the Act.

The eight requirements are:

COMMITMENT

1. A statement of commitment to the safety and wellbeing of children and the protection of children from harm.
2. A code of conduct for interacting with children.

CAPABILITY

3. Written procedures for recruiting, selecting, training and managing staff and volunteers.

CONCERNS

4. Policies and procedures for handling disclosures or suspicions of harm, including reporting guidelines.
5. A plan for managing breaches of your risk management strategy.
6. Risk management plans for high risk activities and special events.

CONSISTENCY

7. Policies and procedures for managing compliance with the blue card system.
8. Strategies for communication and support.

Instructions

The Principal is accountable for ensuring that the Child and Youth Risk Management strategy is developed, implemented and reviewed annually.

The strategy is to be reviewed at the completion of each school year with the results to inform the development of the new strategy document. The new strategy is to be approved in accordance with St Hilda's School governance requirements for implementation at the beginning of the subsequent school year. The review process must be documented which together with the strategy document will be archived for future reference.

Notwithstanding the scheduled review, should circumstances change significantly before the 12-month review period, the strategy will be immediately reviewed in order to maintain appropriate accuracy, relevance and authority.

Scope

This strategy applies to all students, parents, employees, volunteers and visitors of St Hilda's School.

The following describes how the strategy document is to be developed.

Column A –Requirement: This sets out the 4 Key Areas and 8 Mandatory Requirements as set out in the *Working with Children (Risk Management and Screening) Act 2000* and the *Working with Children (Risk Management and Screening) Regulation 2011*.

Column B – Action/s: Intentional actions, programs and processes that have been developed and will be implemented. The **Action/s** must be specific and expressed in terms that can be assessed and evaluated as to their effectiveness.

Column C –Reference: Describes the policy, procedures, protocols and other guidelines which form the authority for the particular **Action/s**.

Column D – Responsible Officer: This identifies the particular staff member who has responsibility for the development and/or implementation of a particular Action/s.

Column E – Evidence: This identifies those things which can be objectively examined and will demonstrate that the Action is in place and is being applied correctly.

<p>3. Written processes for recruitment, selection, training and managing staff and volunteers.</p>	<p>St Hilda's School recognizes that risk management for child safety and welfare begins with the recruiting, screening and selection of the right people to work in schools, and continues by having consistent procedures in place for all staff to follow, with adequate management and supervision to ensure they comply with these procedures. This includes: volunteers, coaches, tutors and visitors/contractors to the School. In particular, the School will:</p> <ul style="list-style-type: none"> • Ensure that its recruitment and selection procedures act to reduce the risk of harm to children and young people from employees and volunteers. • Ensure that its training and management procedures act to reduce the risk of harm to children and young people from employees and volunteers 	<p>Student Protection in Anglican Schools Policy 2015. Written processes for recruitment, selection, training and managing staff and volunteers.

Sub School Specific Processes:

- **Junior School:** Head of Junior School and Deputy Junior School work directly with advertising volunteer roles for parents in the Junior School, recruitment, training and managing volunteers. HOJS liaises with HR department bi-monthly with EVR.
- **Middle/Senior School:** Camp providers and Partner organizations are screened for WWC compliance
- **Boarding School: Tutors** for St Hilda’s Tutoring Academy and Yalari tutors are cleared through the HS office to ensure they hold current BCs prior to commencement with Boarders.
- **CRICOS** and other welfare-related government requirements are met in relation to International students if hosts require BCs under the legislation.
- **Boarder parents** approve their daughter’s leave with hosts other than those already on the Approved Host Form. Sign in and Sign out procedures required for hosts of Boarders maintained at Boarding Reception. New hosts provided with information regarding their Duty of Care to their guest. Hosts must be at least 21 years of age unless a sibling, and then this is negotiated with the parents. Parents are advised to make contact with hosts to determine the activities planned for their daughter whilst out on leave and to ensure families are comfortable with those activities and the supervision which will be provided.
- All visitors who enter via Boarders’ Reception Sign in (Sine) which requires visitors, contractors et al to wear identifying sticker, and sign out via the system allowing staff to track who is on site. SINE includes information on reporting procedures.
- Information related to Child Protection is displayed for staff and students in Boarders’ Reception

Homestay Program for International Students – Pathway to Boarding:

awaiting a place in the School's Boarding House. The School meets with the provider regularly and reviews child protection policies and procedures, including recruitment selection, training and managing staff, as part of ongoing monitoring.

Exchange Program:

Parents of current students participate in the School's cultural exchange program. Families are selected for the program after application, interview process – including a homestay visit, and registering BC details with the HS. Staff working with the Exchange Program liaise with parents and communicate expectations of the CP policy and procedures for reporting concerns. In 2016 the School established MOUs with schools participating in the Cultural Exchange Program which stipulate expectations for meeting Child Protection standards in the host school family.

Co-curricular Program:

The co-curricular program is staffed by St Hilda's employees and volunteers. Recruitment, selection, training and managing of staff is conducted through the School's HR department.

Visitors:

Visitors sign in through Visitors' Reception/Facilities Office/Maintenance during the day via SINE which requires visitors, contractors et al to wear identifying sticker, and sign out via the system allowing staff to track who is on site. SINE includes information on reporting procedures.

Exit interviews with Staff:

Exit interviews are conducted where appropriate to assist the School to identify broader issues of concern that may impact on the safety and wellbeing of students at the School.
