

CODE OF CONDUCT – CHILDREN

1. Code of Conduct

- 1.1 This Code of Conduct is a summary of what the Centre expects of every child. These expectations are spelt out in more detail in the School Expectations.
- 1.2 St. Hilda's is a Christian school. Its motto, Non Nobis Solum (Not for Ourselves Alone), forms the basis on which regulations regarding behaviour are founded. Human relationships should be characterised by care and concern for the other person, whether a staff member or another student. Bullying and harassing behaviour is never acceptable and students who offend may be asked to leave the School.
- 1.3 All children have a right to learn. Behaviour in our Centre should at all times be conducive to learning. Disruptive behaviour will not be tolerated.
- 1.4 Respect for property is a value of our society. Each child is expected to help to maintain and protect the School's property and environment and her own property. Respect must be shown for the property of others. The Centre reserves the right to inspect child property and lockers and confiscate, where appropriate, items which are banned under the Centre Expectations or Code of Conduct.
- 1.5 Care and concern for others should be extended to members of the public, within the School grounds, on public transport and in public places.
- 1.6 A community depends on every member to contribute to its functioning. Every girl should contribute to the happiness and sense of community. Courtesy, punctuality and orderly behaviour in and out of the classroom are required.
- 1.7 Children should show pride in themselves and the Centre. All students are required to wear the correct attire at all times. The manner in which it is worn should reflect the values of personal dignity, respect for others, and identification with our Anglican School community.
- 1.8 Respect for the law as well as the health and wellbeing of the individual is important. Smoking, possession or drinking of alcohol and possession or taking of drugs are strictly forbidden. Students who do not respect the law in relation to these matters may be asked to leave the School.
- 1.9 The Centre takes no responsibility for valuables or money that is brought to the Centre. Any items which are of personal significance and need special care should be signed in and out with the OSHC staff.
