St Hilda's School has adopted *the Student Protection in Anglican Schools Policy and Procedures*, Anglican Church Southern Queensland. This policy and procedures outlines how St Hilda's School will ensure the safety and wellbeing of students attending the school by responding to all allegations of child abuse and neglect or inappropriate behaviour by a staff member or volunteer towards a student and referring students and families for support when appropriate.

When staff, students, parents, volunteers or members of the school community have concerns for a student at the school, they should discuss their concerns with the Principal or one of the Student Protection Officers listed below.
