Declaration

I understand that this application does not automatically guarantee that I will be granted the status of a student in the Athena Program.

If successful, I understand that:

- I am expected to maintain a consistent standard academically and support the School by participating in a co-curricular activity per semester.
- I am expected to represent St Hilda's School in the QGSSSA or Andrews Cup Team in the sport qualifying for Athena Program / in Music Eisteddfods or Competitions.
- I will meet and communicate regularly with my teachers / Head of Year / Head of Athena to monitor my academic progress and to provide support.
- Some of the ways this might be achieved are:
 - flexibility with assessment deadlines based on related travel/event commitments.
 - tailoring a study load to integrate with commitments.
 - extra assistance with academic planning.

Approval is only valid for the current year and I must resubmit an application for each subsequent year.
