

## VISITOR PROCEDURES

### INTRODUCTION

Every student has the right to feel safe and free from harm in every area of his or her life including when at school. The protection of children and young people is of paramount importance and the Anglican Church Southern Queensland (ACSQ) takes this responsibility very seriously.

The ACSQ has developed the *Student Protection in Anglican Schools Policy and Procedures* to guide school staff, volunteers and visitors (paid or unpaid) to an Anglican school in their responsibilities under legislation and/or policy to recognize and report suspected child abuse and neglect or inappropriate behaviour towards a student.

The '**Creating Environments for Students to Thrive**' booklet, identifies the responsibilities, and behavioural obligations.
